

RENAISSANCE SCIENCE, MAGIC, AND MEDICINE IN HARRY POTTER'S WORLD

AN EXHIBITION ABOUT THE HISTORICAL ROOTS
OF A MODERN SENSATION

“There was a lot more to magic,
as Harry quickly found out,
than waving your wand
and saying a few funny words.”

—*Harry Potter and the Philosopher's Stone*, J. K. Rowling

Illustration of an owl
Konrad Gesner, *Historiae Animalium*, 1551

Hortus Sanitatis, 1491

Nicolas Flamel, *La Metallique
Transformation*, 1618
